## NAEIR and KCCDD – Partners In Serving Those In Need

Located in Galesburg, Illinois... KCCDD stands for Knowledge, Creativity, Caring, Development & Dedication. The scope of what the organization has accomplished since its founding in 1977 includes a wide range of services for the developmentally disabled.

The organization's mission is to create opportunities and provide choices for individuals to maximize their independence and optimize their potential to live within the community. Those served include individuals with developmental, hearing or sight impairment as well as those that may have behavioral or social adjustment needs. Also, there are services available for older adults including those that enhance reminiscing, that treat health and aging related issues and that provide socialization opportunities and retention of skills.

KCCDD has developed mutually beneficial relationships with other area agencies serving constituents that share similar needs as well as working with area companies, municipal agencies and the public at large. According to Mark Rudolph, KCCDD'S Executive Director, "KCCDD, like many organizations that receive funding from the State of Illinois, struggles with how best to use our limited resources. Often there is little left for basic office or maintenance supplies and even less for art and craft materials. Fortunately NAEIR has been there for KCCDD for over 25 years and has helped us use our resources as efficiently as possible."

## Companies Can Donate Now...Or Forever Hold Your Excess Inventory

Over 8,000 companies have donated \$3 billion in inventory since NAEIR's founding in 1977. All of those products are redistributed to deserving schools, churches, nonprofit organizations and teachers nationwide. If you're a Regular (C) corporation, you can clear out warehouse space and receive an above-cost (up to twice-cost) tax deduction while contributing to a worthy cause. S corporations and other small businesses receive a straight cost deduction.

It's really pretty simple. Just contact NAEIR's Corporate Relations Department at 1-800-562-0955 or email [donor@naeir.org](mailto:donor@naeir.org). You can also go to [www.naeir.org](http://www.naeir.org) for more information.
