All About

NAEIR

How It All Started

In 1976, Congress passed a law that provided tax deductions for companies that made charitable merchandise donations to non-profits. A year later Norbert Smith founded NAEIR—the first in-kind giving organization—to facilitate corporate donations and distribute them to churches, schools and non-profits. Since then we've given away nearly \$3 billion worth of brand-new merchandise from over 8,000 companies to non-profit organizations in all 50 states. We're proud to play an active role in serving American communities by empowering schools, churches and non-profits to help more people with less money.

How It Works

In a perfect world, companies would sell every item they manufacture. But, in reality, sometimes companies produce too much, orders are cancelled or models are discontinued. Any unsold merchandise piles up, takes up valuable warehouse space and costs a lot to store.

So, to make room for new products, these companies donate their excess merchandise to NAEIR. Uncle Sam gives them a tax deduction and we give all the stuff to schools, churches and non-profits for FREE. NAEIR members can use all those extra supplies and tools to help teachers give better lessons, shelters take care of more people and churches provide more help for the needy. Everyone wins!

When a donation shipment comes in to NAEIR's warehouse in Galesburg, Illinois, the merchandise is sorted, organized and photographed for our website and catalogs. Each month our members receive NAEIR catalogs filled with all sorts of things they need to operate their organizations. Toys, clothes, books, office supplies, tools, toiletries, DVD's, crafts...even things like copy machines and flat screen televisions! All the merchandise is FREE—members only pay a small fee to cover the cost of shipping* and handling.

* Some items in our catalogs even include free shipping!

HOW IT WORKS

Every year we give millions of dollars worth of toys, clothes, office supplies, tools and so much more... to organizations like you. It's brand new, high-quality stuff, just like what you'd find in retail stores. But it's **FREE!** And you can have as much as you'd like. **No limits. No restrictions. No gimmicks.**

SOUNDS TOO GOOD TO BE TRUE?

IT'S NOT! HERE'S HOW IT WORKS...

Big businesses accumulate **extra inventory** in their warehouses—overstocks, returns, discontinued products...and they donate them to NAEIR.

NAEIR sorts, organizes and **photographs** the merchandise so it can be published in our **catalogs** and offered to schools and non-profits like you for **FREE!***

You request all sorts of free products! Then, NAEIR packs up your order and **ships it** out. FedEx of course. (You can also pick up your order from our warehouse.)

Schools

* Members pay for shipping and a small handling fee to cover the costs related to organizing, cataloging and storing all the merchandise.

How Our Members Benefit

There's absolutely no limit on how much a member can request and we say, "The more the better!"

No seconds, hand-me-downs or defective products.

SHARING STORIES

Now that's **EMPOWERING GENEROSITY!**

A Missouri school district received over \$55,000 in free supplies in one year thanks to one ambitious NAEIR member. *

When Lynn Watkins heard that she could get free supplies and merchandise from NAEIR she was curious, but skeptical.

Lynn is the Coordinator of Crayons to Computers, a non-profit supply source for educators in the St. Joseph School District in Missouri. The district serves 12,000 students in 18 elementary schools, 4 middle schools, 3 high schools, an adult vocational school and an alternative high school. Many of the students are in government school lunch programs. Over 300 are homeless.

"Free supplies would be a godsend," Lynn thought. "And a tremendous windfall for the teachers and students in my schools." It seemed too good to be true, but NAEIR offered a 100% money-back guarantee. So, she joined the organization just to see if it was all it was cracked it to be. It was everything and more.

In her first shipment alone, Lynn received \$6,483 in free supplies. Encouraged, she submitted another request and received \$4,959 in free supplies. Things were looking good. When her next shipment arrived with \$26,288 in free merchandise, Lynn was convinced she'd found a gold mine. She rounded out her first year of membership with shipments of \$6,103 and \$11,516 in free stuff. In total, St. Joseph School District received \$55,349 in free supplies in just one year! And, all Lynn paid was shipping and handling!

The good news is that Lynn's story isn't uncommon at all. Over 9,500 schools and non-profit organizations all over the United States routinely receive thousands of dollars worth of office supplies, toys, games, sporting goods, arts, crafts, books, classroom materials, janitorial supplies and more...all for FREE!

CATALOGS

The Big Book

The Big Book is available to our Premier members only, and it's published five times a year—about every 10 weeks. It has over 200 pages packed with thousands of our best products. Some of the items in the Big Book are available in limited quantities, so it's important to remember that you may not get everything that you request. But, to be fair, we have a special allocation system that ensures that every organization has a fair shot at getting the stuff that they want, no matter what your size or when you submit your request. We also allow you to mark up to 60 requests as Preferred Items, so if you really want it, you'll have a better chance of receiving it.

Requesting items from our Big Book is easy:

- ❖ Make sure everyone in your organization has an opportunity to look through the Big Book and mark the items they want.
- ❖ Complete a Request Form, listing all the items your organization can use.
- ❖ Be sure to mark your Preferred Items!
- ❖ Don't forget to include your membership number.
- ❖ Mark whether you would like to pick up your requested merchandise, or if we should ship it to you.
- ❖ Fax or mail your Request Form to us by the deadline. You can also submit your request online. Should you decide to fax your Request Form, please call to confirm that we received it within two or three days.
- ❖ We will send an invoice for shipping and handling charges after your merchandise has been shipped.

REMEMBER: You are only allowed to submit one Request Form per Big Book issue, so it's best to ask for everything you need all at once.

The Big Book also features our **LOTTERY ITEMS**. These are in-demand, big-ticket products like computers, big-screen televisions and color copy machines. Simply indicate the item you want on your Request Form and we'll have a drawing to determine who gets it. Entering a drawing does not affect your allocation. **However, your organization is eligible to win only one Lottery Item per year.**

Best Values Catalog

The Best Values catalog is issued every month to all NAEIR members. Just like the name implies, it's full of some of our biggest values and, best of all, **THE SHIPPING IS FREE!** You only pay a small handling fee. All the stuff in the Best Values catalog is first come, first served. If you want it, act fast!

Special Offers and Clearance

Occasionally we mail Special Offers flyers to all our members. They feature assortments of special items that we think our members will love! The value of each item or assortment ranges from \$200 to \$500, and it's available for a handling fee typically ranging from \$30 to \$75. Like the products in our Clearance catalogs, these assortments are available immediately, and the **SHIPPING IS FREE!**

A Request Form is included with each flyer and catalog. You can mail or fax it to us, or submit your request online. Once we receive your request, your items are shipped within 2 to 3 days.

GRAB BAG

and more...

NAEIR Shopping Site

You can submit requests for merchandise available through our mail-order catalogs online. Also available is merchandise through Deal of the Day and Express that is only available through our website. All offers (with the exception of Big Book) are first come, first served – just click it and we'll ship it!

Blocked Access to the Online Catalog

If you have a bill past due, you may be blocked from requesting online. Often when this happens, it's because a Tiered Member has not paid a bill and all associated members are blocked. If you continue to have problems and all of your charges are current, contact your Membership Advocate.

Grab Bag

Grab Bag takes bargain hunting to a whole new level! Up to five times per year (depending on your membership level) two members from your organization can come to our distribution center in Galesburg, Illinois and take whatever your organization needs. For a flat \$40, you get two hours to fill a 30" x 72" industrial-size push cart with as much as it can hold. The average haul is over \$3,000 per visit, and many people get quite a bit more!

Here's how you participate:

- ❖ **Make an appointment** – Grab Bag appointments may be scheduled for anytime Monday-Wednesday-Friday from 8 a.m.-noon. While you're required to show up on a specific day, you can arrive anytime during these hours. If you're not able to show up, please notify your Membership Advocate.
- ❖ **Bring boxes** – We will provide two boxes. Additional boxes may be purchased. But, you are also welcome to bring your own boxes.

Grab Bag x 2: We offer members the option to combine two Grab Bag visits into one. This gives you the same two hours to load up two carts for a flat \$80.

If you want to participate in Grab Bag, but you don't live nearby, we can help! In the back of this booklet you'll find information about local truck rentals and lodging in Galesburg, Illinois, plus a map of the area.

Requesting

MERCHANDISE

The Big Book Allocation System

Since we must strive to be as fair as possible in giving away the items donated to us, we have developed a computerized allocation system to make sure every member has an equal chance to get as many requested items as possible. All Big Book requests are entered into our computer system, which compares the requests to current inventory. The merchandise is then divided among members and shipped.

Who Can Submit Merchandise Requests?

Anyone in your organization can request merchandise from NAEIR. In fact, we encourage you to circulate the Big Book to your entire staff so you can be sure you request everything you need. And anyone from your organization that you provide with your secured password and login I.D. can request items online. The more people you can involve in the requesting process the better. ***But, remember that your organization can submit only one Request Form per Big Book issue.***

Merchandise Limits

There are no limits on how much you can request or receive either in quantity or dollar value. The only limit is how much of any particular item is available in our warehouse and how many other organizations are asking for the same thing. In general, you will get the best results if you ask for large amounts and a wide variety of everything you can think of a use for.

Many organizations that take the time to make large requests often receive a value of more than \$30,000! Your advocate can explain to you how to fill out your Request Form to maximize the amount of merchandise you receive.

Will I Get Everything I Request?

Not necessarily. Since all of NAEIR's merchandise is donated, we can't "stock" particular items. That means that we often have limited quantities of particular products.

The merchandise in our Best Values and Clearance catalogs, Special Offers flyers and everything on the NAEIR shopping site are given away first come, first served. Depending on the popularity of a particular item, we may or may not have enough to fulfill all requests.

Items in the Big Book are distributed as fairly as possible using our computerized allocation system. This means that you may not get everything you request. ***However, by requesting several different items, and by marking your top choices as Preferred Items on your Request Form, you will boost your odds of getting what you need most.***

Merchandise Values

The dollar value listed for NAEIR merchandise is based on the dollar values provided by the donor. These values usually represent the donor's wholesale value.

SHIPPING, HANDLING and Returns

Shipping Time

After you submit your Big Book request, your items will be shipped within 3 to 4 weeks. Best Values, Special Offers, Clearance, Express and Deal of the Day products are shipped within 5 to 7 days. Items requested from our online catalog are shipped immediately. We ship everything via FedEx Ground.

Picking Up Your Requested Merchandise

If you would like to pick up your requested merchandise at our Galesburg, Illinois warehouse to save on shipping costs, we are more than happy to accommodate. We request that you schedule a pick-up time through your Membership Advocate.

Handling Fees

All items are assessed a small handling fee. Handling charges help cover the enormous costs associated with operating our organization. Handling fees for Best Values, Special Offers, Clearance, Express and Deal of the Day merchandise are clearly marked next to the item listing. Handling fees for Big Book merchandise are assessed according to the value of the merchandise:

VALUE	HANDLING FEE
Under \$1,000	\$49
\$1,001 - \$5,000	\$99
Over \$5,000	\$149

Paying for Shipping and Handling

Shipping charges only apply to items requested from the Big Book and NAEIR Express merchandise. We provide free shipping for Special Offers assortments, as well as all products in our Best Values, Clearance and Deal of the Day catalogs. Shipping charges are calculated based on the size and weight of your packages.

When your merchandise arrives, it will include a packing list that shows the total value of your shipment, which you are receiving free of charge. After your product arrives, you will receive an invoice that shows the shipping and handling charge you owe. You simply pay this bill as you would any other bill.

Pre-paying for Shipping and Handling

We do not allow you to pre-pay for shipping and handling. Because our merchandise is donated, we have a limited amount of each item. This means that some members may not receive everything they request. Therefore, we do not charge you for shipping and handling until your requests have actually been allocated to your organization and do not accept pre-payment in order to avoid the complications associated with refunds.

Shipping Merchandise to a Different Address

We don't encourage this. Occasionally we will make exceptions if we have a request in writing. However, in order to assure that only members are receiving and properly using the free merchandise, we prefer to ship only to the primary address we have on file for your organization. If you need to permanently change your shipping address, please contact your Membership Advocate.

Returns

If you would like to return merchandise for any reason, please contact your NAEIR Membership Advocate. NAEIR must be notified of the returns before they are sent. Members are responsible for all shipping costs.

Damaged Merchandise

We try to handle all merchandise with care, but accidents can happen. So, be sure to carefully inspect your boxes for obvious damage that may have occurred prior to delivery.

Managing Your

MEMBERSHIP

Why Do I Pay Membership Dues?

We are a non-profit organization and we give away everything donated to us for free. Each year we collect and distribute over \$100 million in donated merchandise. We sort, catalog and store thousands of products in a massive warehouse, covering 10 acres. Your dues help us cover the enormous out-of-pocket expenses of operating our organization—printing and mailing catalogs, managing our warehouse and shipping operations, and employing over 100 friendly people who work hard to make sure you can receive the merchandise you need quickly and easily.

Membership Renewal

A few months before the your membership anniversary date we will send you a reminder to renew. Simply pay your dues and you'll be automatically renewed for another membership cycle. Prompt payment will ensure that your organization will not suffer a lapse in membership or miss out on any free merchandise.

Membership Cancellation

If for any reason you wish to end your membership, you must simply provide us with a short letter (signed by your contact person) requesting that your membership be cancelled.

The NAEIR Money-Back Guarantee

If at the end of your first Premier membership period your organization has not received at least TWICE the value of your dues in free supplies and merchandise, NAEIR will either refund your dues in full or extend your membership for a comparable period free of charge. That's a fairly modest guarantee, since on average, members get more than \$18,000 worth of free items – more than 30 times the annual dues! Generally, the only people who ever say they aren't satisfied are the ones who simply don't take the time to ask for a lot of free merchandise.

Changing Your Address or Contact Information

To make any change, simply call your Membership Advocate. He or she will send you a form that you must complete and return to NAEIR. When we receive the form, we'll verify the information in the same way as when you first applied for membership. This is to assure that goods are shipped properly and are received and used only by qualified members.

REQUESTING

Tips

Here are a few tips for getting more of what you need and really making your membership pay off:

Big Book tips:

- ❖ Ask for as much as you want. *Don't worry about appearing greedy.* If you need something, request as much of it as possible. The whole purpose of NAEIR is to give away all of the donated merchandise, so we encourage you to make large requests. The more the better—for you and for us.
- ❖ Request a wide variety of items. Members who routinely ask for 200 or more separate items on their Request Form tend to do best. You won't necessarily get everything you ask for, but the more you request, the more you'll get.
- ❖ Mark 60 items that you want most as your Preferred Items on the Request Form. If our computerized allocation system has to choose between you and another organization for a particular item, this will help decide who gets it.
- ❖ Keep an eye out for items that are available in large quantities. (We will list the quantity of each item in the catalogs.) You have the best chance at receiving these items.
- ❖ Choose wisely when selecting your Lottery Item. You can only win one Lottery Item per year, so it should be something you really want, not just the most expensive merchandise.
- ❖ Look for similar merchandise with different stock numbers. This will increase your chances of receiving items from the Big Book by doubling your request. If you don't actually need both, write a comment on the request form such as "one or the other" to avoid receiving both items.

General tips:

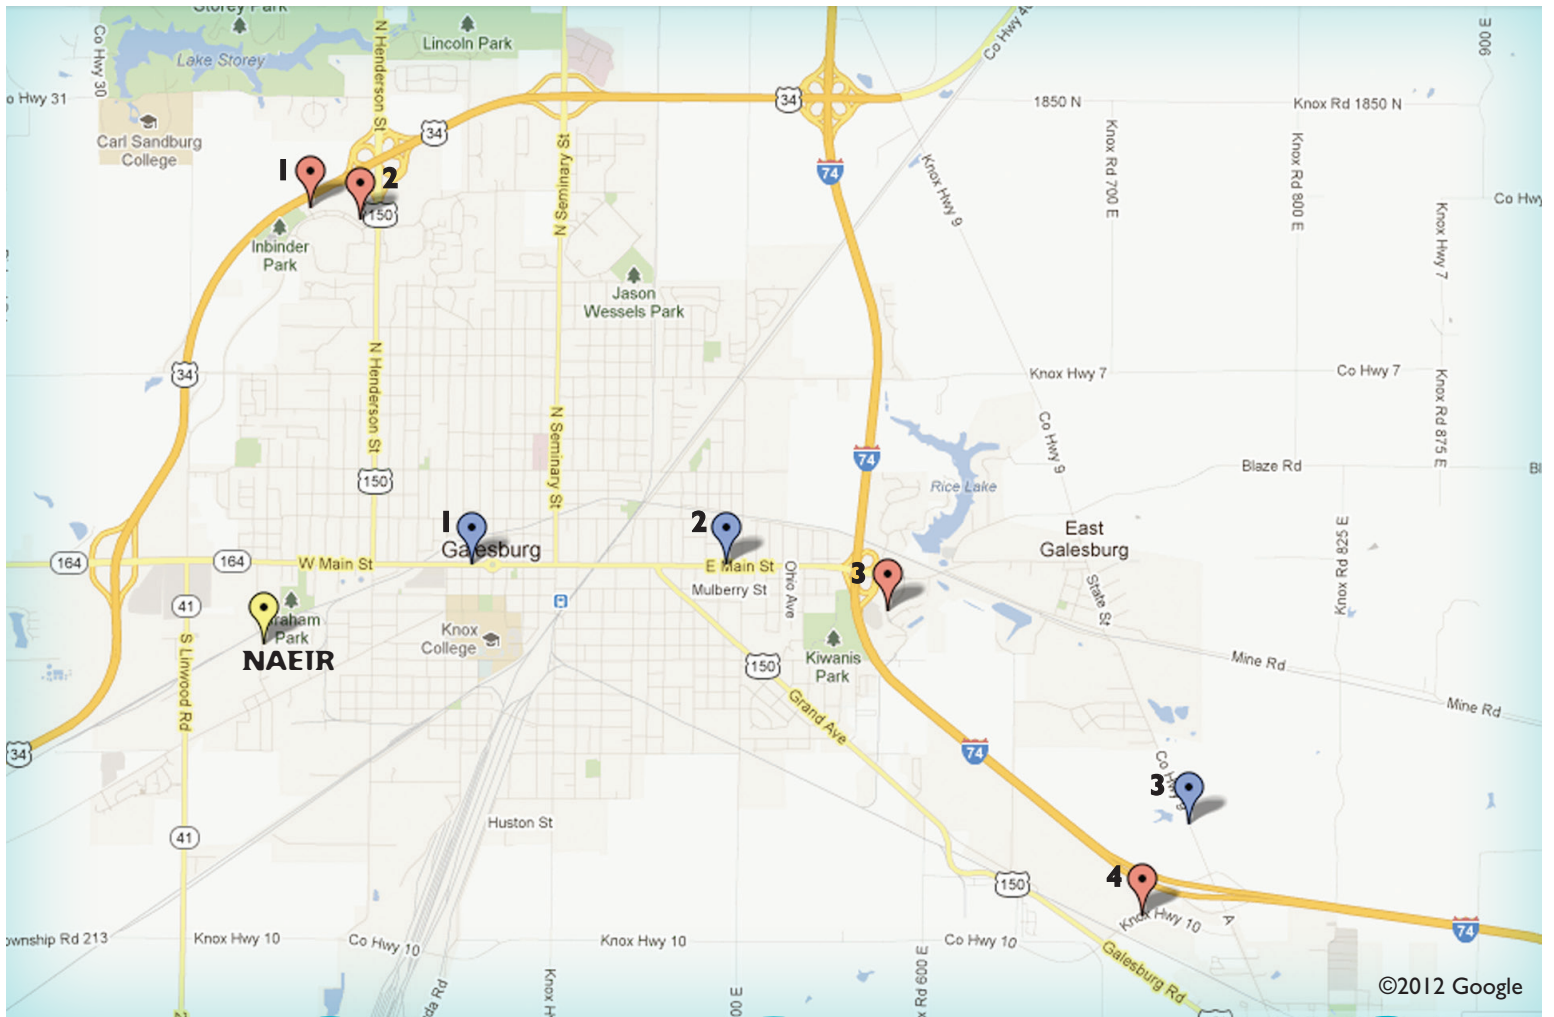

- ❖ Request additional merchandise from our Best Values Catalog, Special Offers, Express, and Deal of the Day
- ❖ Plan ahead and stock up. If storage isn't a problem, you should request items now that can be used in the future, since they may not be available later.
